JAN 21 1958

Dear John,

In accordance with agreements reached during our meeting of 16 December 1957 I am terminating Letter Contract No. [REDACTED] as of 31 December 1957 and am continuing the research studies and investigations under a new contract effective 1 January 1958.

Amendment No. 4 to Letter Contract No. [REDACTED], enclosed herewith, has been drawn to provide for termination of that agreement on 31 December 1957 and for negotiation of a final contract price thereunder.

I am signifying the Government's intent to continue the work after that date by the enclosed Letter of Intent, Contract [REDACTED]. In order that the amount of new funds necessary for obligation under the new contract may be determined, please advise me of your budget estimate to continue the work from 1 January 1958 to 30 June 1958, and the amount of present funds unexpended or unencumbered under Letter Contract No. [REDACTED] as of 31 December 1957.

It is requested that the enclosed documents be executed on your behalf and returned to me in accordance with instructions contained therein.

Very truly yours,

George
